Dear [Redacted]

The office of the Information and Privacy Coordinator received (on 8 September 2005) your undated Freedom of Information Act (FOIA) request for **"a copy of the CIA Inspector General's Report on the 9/11 mishaps committed by staff of CIA that may have precluded the stopping of the 9/11 terrorist attack on the World Trade Center."** We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily.

We received an earlier FOIA request for the same report. We will send you the same CIA-originated record, if it is released, once that request has been completed. Because of our backlog, I cannot say with certainty when that will be.

For your information, the FOIA authorizes federal agencies to collect fees for records services. However, because search and review fees are borne solely by the original requester, you are responsible only for a reproduction charge of ten cents per page beyond the first 100 pages, which are free.

We will contact you again when we have completed processing the original request. Meanwhile, we appreciate your patience.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Koch", with a long horizontal flourish extending to the right.

Scott Koch
Information and Privacy Coordinator
